

Our state's economy is down.

More people are coming to libraries because there are no user fees... to use computers and the Internet, to find books and magazines and for free family activities.

But state funding cuts ranging from 5%-50% are being proposed. Because you are a library person we hope you will contact the elected officials listed on the reverse side with this simple message:

"Please freeze library funding next year at the same amount it is this year."

Thank you.
